

Important Client Information

- I am committed to your health, growth and well-being and I expect the same commitment from you. This is “*you*” time, so please be on time to receive the full benefit of your session. You may want to consider arriving 5-10 minutes early to use the restroom and have a minute or two to transition from the outside world.
- Please remember to turn off your cell phone when entering the building.
- I will have water for you, but think about having a glass a few hours before your appointment so you are well hydrated.
- I know you like your perfume or cologne! But there are many people in the building and some have sensitivities to it, so please refrain from wearing it to your appointment.
- The policy for missed appointments is as follows: Please give me 24 hours notice if you are going to cancel an appointment unless it is for an acute illness or weather emergency. You may call or e-mail. If you miss an appointment for which I am not notified 24 hours in advance, I will ask you to pay the full amount. For my part, if I miss your appointment for any reason without notifying you, your next session will be free.
- If you decide to purchase package sessions, those sessions must be used within one month of purchase date. Again, you are committing to *you*. Single sessions are always available as well.
- Skype sessions are available upon request.

Thank you for taking the time to read this. By signing below you are acknowledging that you have read and agreed to the above policies.
